TERMS AND CONDITIONS FOR PURCHASE ORDER

1. Orders, Acceptance, Entire Agreement and Modification: The purchase order, together with these terms and conditions, and any attachments and exhibits, specifications, drawings, notes, instructions and other information, whether physically attached or incorporated by reference (collectively, "Purchase Order"), constitutes the entire and exclusive agreement between Sumitomo Dainippon Pharma America Inc. or any of its affiliated companies (collectively, "SDPA"), and the supplier and/or service provider ("Provider") identified in the Purchase Order. All sales of products ("Products") and provision of services ("Services") by Provider, its agents, employees, and subcontractors to SDPA are subject to these terms and conditions, and SDPA's submission of the Purchase Order is conditioned on Provider's agreement that any terms different from or in addition to the terms of the Purchase Order, whether communicated orally or contained in any purchase order confirmation, invoice, acknowledgement, release, acceptance or other written correspondence, irrespective of the timing, shall not form a part of the Purchase Order, even if Provider purports to condition its acceptance of the Purchase Order on SDPA's agreement to such different or additional terms. Provider's electronic acceptance, acknowledgement of this Purchase Order, or commencement of performance constitutes Provider's acceptance of these terms and conditions. No change to or modification of the Purchase Order shall be binding upon SDPA unless signed by an authorized representative of SDPA's procurement or purchasing office. This writing does not constitute a firm offer within the meaning of Section 2205 of the Massachusetts Uniform Commercial Code, and may be revoked at any time prior to acceptance. Notwithstanding the foregoing, if a master agreement covering procurement of the Products or Services described in the Purchase Order exists between Provider and SDPA, the terms of such master agreement shall prevail over any inconsistent terms herein.

2. Packing, Shipment and Delivery: All Products shall be prepared and packed for shipment in a manner that will protect it from loss or damage in transit and in accordance with best commercial practices in the absence of any specifications SDPA may provide. Without limiting the foregoing, Provider shall observe the requirements of any local laws and regulations relating to hazardous products, including, without limitation, with respect to its accompanying information, packing, labeling, reporting, carriage and disposal. SDPA is not liable for extra charges for packing, cartage or any other expense related thereto unless stated in this Purchase Order. Provider shall mark this Purchase Order number on each container. Deliveries shall be strictly in accordance with the schedule set out or referred to in this Purchase Order and in exact quantities ordered and made to SDPA at its designated delivery location set forth in the Purchase Order. Time is of the essence for this Purchase Order. Shipments in excess of quantities or in advance of schedule delivery dates as shown herein are not to be made without SDPA's prior written approval. SDPA reserves the right to return at Provider's expense any shipments received contrary to this instruction. Unless otherwise noted on the Purchase Order, Provider assumes responsibility for all shipping and delivery charges including, without limitation, customs, duties, costs, taxes and insurance. Title and risk of loss passes to SDPA upon acceptance in accordance with paragraph 6.

3. Cancellation: SDPA reserves the right to cancel this Purchase Order, or any part thereof, at any time, even though Provider is not in default hereunder, by giving written notice to Provider in the event of such cancellation. SDPA shall pay for all Products and Services delivered and completed and an equitable settlement shall be arrived at for the costs incurred by Provider for Products and materials in-process not to exceed the aggregate committed quantity and/or price specified in this Purchase Order. Upon receipt of any notice of cancellation hereunder, Provider, unless otherwise directed, will immediately discontinue all work-in-progress and immediately cancel all orders or subcontracts given or made pursuant to this Purchase Order. Exercise by SDPA of the rights of cancellation reserved in this paragraph shall give rise to no liability on the part of SDPA except as specified in this paragraph and shall not have the effect of waiving damages SDPA might otherwise be entitled to.

4. Specifications and Changes: If drawings, blueprints or specifications are furnished by SDPA to Provider, this Purchase Order shall be based upon such drawings, blueprints or specifications, and approval of samples by SDPA shall not relieve the Provider from strict and full compliance with such drawings, blueprints or specifications. SDPA may make changes in the drawings, blueprints and specifications on any item at any time. If such changes result in delay or additional expense to Provider, an equitable adjustment of price and delivery schedule will be made. Provider shall not change the material, the source of the material, the process or components used in producing the material, the specifications, inspection and/or tests used, or any contractors/sub-contractors without advance notification to, and written approval by, SDPA.

5. Pricing and Payment: All Products and Services will be invoiced at pricing set forth on the Purchase Order. Unless otherwise specified in the Purchase Order, the pricing includes all taxes and other charges such as shipping and delivery charges, duties, customs, tariffs, imposts and government-imposed surcharges. All invoices shall be accompanied by a copy of the bill of lading for collect freight shipments and by a prepaid freight bill if all or any part of the freight is included on the face of the invoice. Provider will, at SDPA's request, break-out from the price all such taxes and other charges, in its invoices. Provider shall use its best efforts to assist SDPA in all legal efforts to minimize the taxes resulting from the performance of this Purchase Order. SDPA will not be bound to any prices to which it has not specifically agreed in writing. Unpriced orders will be at the price last invoiced or as stated in a written quotation. Unless otherwise stated on the Purchase Order, SDPA will pay Provider the price set forth in the Purchase Order within 60 days following SDPA's receipt of a properly prepared invoice. A properly prepared invoice must include the Purchase Order number and, if required in the Purchase Order, Provider's certification of conformance of the Products to the requirements/specifications. Payment and invoices will be in U.S. dollars. SDPA may, at any time, set-off any amounts Provider owes SDPA against any amounts SDPA owes to Provider or any of its affiliated companies.

6. Inspection, Acceptance: Provider agrees to permit SDPA's inspectors to have access to Provider's premises at all reasonable times for the purpose of inspecting the items set forth in the Purchase Order and work-in-process for production of such items. All items are subject to final inspection and approval at SDPA's premises or other place designated by SDPA. Such inspection shall be made within a reasonable time after delivery irrespective of the date of payment and the date of payment and/or the payment for any item purchased hereunder shall not constitute approval or acceptance of such material by SDPA and SDPA's right of inspection shall survive payment. SDPA may reject any or all of the Products or Services which do not conform to the applicable requirements/specifications for same. At SDPA's option, SDPA may (i) return the non-conforming Products to Provider for a refund or credit; (ii) require Provider to replace or repair the non-conforming Product or Services, as applicable; or (iii) repair the non-conforming Products, at Provider's expense, so that it meets the requirements. As an alternative to (i) through (iii), SDPA may accept the non-conforming Products or Services conditioned on Provider providing a refund or credit in an amount SDPA reasonably determines to represent the diminished value of the non-conforming Products or Services.

7. Process Monitoring, SDPA's Property: Provider is responsible for monitoring its manufacturing processes performance and conducting sufficient process control, inspection, testing, proactive and preventative measures to assure that all items delivered to SDPA are in full compliance with their specifications. Statistical sampling is strongly encouraged to insure that the manufacturing processes are in statistical control. Related information must be available and could be requested by SDPA at any time. Provider is responsible for each Product conforming to specifications. SDPA does not plan to inspect or test beyond what is required to verify quality by Provider. Unless otherwise agreed in writing, all tooling, equipment, and material furnished to Provider by SDPA or specifically paid for by SDPA shall remain the property of SDPA. Such property, while in Provider's custody or control, shall be held at Provider's sole risk, and shall be kept insured by Provider at Provider expense in an amount equal to the replacement cost with loss payable to SDPA. Such property shall be delivered in good condition, normal wear and tear expected, to SDPA, immediately upon request by SDPA.

8. Returns: SDPA shall have the right to return to Provider any unused Products consistent with Provider's return policy for either full credit or a refund of the purchase price at SDPA's election.

All Deliverables will constitute "works made for hire," except to the extent such Deliverables cannot by law be "works made for hire." To the extent any such Deliverables shall not be deemed under applicable law to be "works made for hire," Provider hereby irrevocably assigns all rights to copyrights in or copyright applications for such Deliverables created or developed for SDPA to SDPA, including all rights of every kind in such Deliverable for the entire duration of the copyright. No rights are reserved to Provider.

Provider will (a) cooperate fully in obtaining patent and other proprietary protection for any patentable or protectable Deliverables all in the name of SDPA and at SDPA's cost and expense, and (b) execute and deliver all requested applications, assignments, and other documents and take such other measures as SDPA will reasonably request, in order to perfect and enforce SDPA's rights in the Deliverables. Provider further represents and warrants that it has and will maintain all federal, state, local and foreign registrations necessary for the lawful handling and distribution of the Product(s). Provider may not negate, exclude, limit or modify any warranty otherwise available to SDPA. Any attempt by Provider to do so is ineffective and shall not in any way bind SDPA. SDPA's inspection or acceptance of any Products or Services, or SDPA's payment for Products or Services shall not constitute a waiver by it of any warranty. None of the remedies available to SDPA for breach of any of the foregoing warranties may be limited except to the extent and in the manner agreed upon by SDPA in a separate agreement specifically designating such limitation and signed by an authorized representative of SDPA.

12. All remedies, whether provided by law, contract or contained elsewhere shall be deemed to be cumulative.

16. Compliance With Laws: SDPA complies with Executive Order 11246, as amended, Section 503 of the Rehabilitation Act of 1973, as amended, and the Vietnam Veterans' Readjustment Assistance Act of 1974, as amended. IN NO EVENT WILL SDPA BE LIABLE TO PROVIDER FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL DAMAGES OR LOSS OF PROFITS ARISING OUT OF, OR IN CONNECTION WITH, THE PURCHASE ORDER, WHETHER OR NOT SDPA WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. THE LIMITATIONS WILL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY PROVIDED HEREIN.
